HIGH PRESSURE AREA

We Pause to Honor

LOUIS D. DABNEY
1910-1969

Marion Senior High School and Smyth County were served long and faithfully by the one we now honor. It is with the deepest sorrow, yet with the greatest love and respect that we will always remember in our hearts and prayers Mr. Louis D. Dabney. He gave thirty-seven years of his life to education, and his place will never again be completely filled.

Mr. Dabney was born and grew up in and around Washington, D.C., where he achieved many awards at Armstrong High School, both academic and athletic. He attended Virginia State College, where he again excelled in his studies and in sports, lettering in three sports—football, basketball, and baseball—for four years. His football honors include being named to the CIAA team for two years, and to the *Pittsburgh Courier* All-American team his sen-

ior year. He received his Master's Degree in education from the University of Pennsylvania.

In 1932, Mr. Dabney came to Marion to teach. On June 25, 1934, he and the former Evelyn Richardson were united in marriage. Three sons were born to the couple—Charles Louis, Howard, and James.

A member of Mt. Pleasant United Methodist Church, Mr. Dabney was a lay reader for the congregation, and a Sunday School teacher. He held innumerable positions in the community, including positions on the hospital Board of Directors, and the VEA.

We will always hold a special place in our memories for Mr. Dabney. Every move he made, every thought he had, deeply influenced someone somewhere, and in this way Louis D. Dabney will always remain a part of our lives.

The Chief Forecaster

HOWARD W. WILLIAMS
Un. of Tennessee—M.S.

Mr. Williams confers with other leaders about our school policies.

Neighborhood Youth Corps workers are based in the MSHS administration.

A principal's work is never done!

The ability to forecast the future from experience gained from many years of service is the mark of an able and dedicated administrator. In his position as principal of MSHS, Mr. Howard Williams is determined, yet friendly; strict, but not unbending; and always eager to help guide MSHS toward the stars.

Mr. Williams' duties include the administration of school policy, linking the school to the community and the school board, and aiding the students in their day-to-day lives whenever possible.

Hurricane Co-pilot

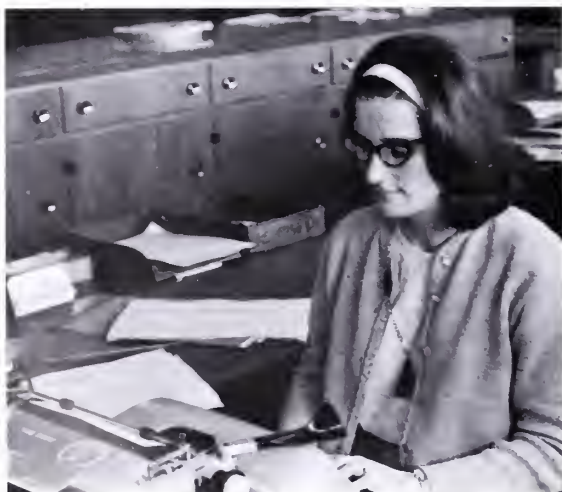

LAYTON DAVID HENRY
Appalachian State University—M.A.

The office of Assistant Principle at MSHS is filled by Mr. David Henry, a man as familiar to his surroundings as his face is to the students. The link between the students and discipline, Mr. Henry cheerfully administers to the needs of the student body.

Behind the scenes work two other important facets of Forecast '69: Mrs. Katherine Williams and Mrs. Linda Dean. The office staff complements and refines the work of the administration, as well as lightening the load of Mr. Williams, Mr. Henry, and Mr. McDonald.

"Put the word on 'em, Mr. H!"

There is no end to the paper work in the office.

The student's permanent file is a comprehensive look at his high school career.

County Administrators

We owe many thanks to the Smyth County Board of Supervisors and the School Board for their contributions to our school, especially this year's new gymnasium. Our county administrators work to give us the best of all possible educations by constantly striving for new and better equipment, materials, and school facilities

Smyth County School Board: FRONT ROW: Earl Horne; W. R. Buchanan; William Kelley; Francis Copenhagen, Chairman; Robert A. Hunter; S. D. Scott. SECOND ROW: J. Leonard Mauck, Superintendent; Mrs. Virginia T. Stone; Miss Carolyn Sheffey; Mrs. Joyce Cornett; Mrs. Brenda C. Brooks; Mrs. Helen Rosenbaum; Mr. E. R. Thompson; Mr. Harlan S. Pafford.

Smyth County Board of Supervisors: SEATED: Marshall Guy; Henry Hoofnagle; Jack P. Campbell. STANDING: Walter Murray; N. O. Williams; E. D. Duncan; Charles R. Scott.

The Guiding Light

Guiding a student through his high school career is an important job, and is perfectly executed by Mr. Fred D. McDonald. Assisted by the sponsors of each class and over 43 years in the teaching profession, Mr. McDonald is always eager to help the students of MSHS during their school life.

Located in the guidance department are books, college bulletins, and informative pamphlets, all designed to aid the searching student.

FRED D. McDONALD

Mr. McDonald discusses with Mr. Sam Burkett and Mr. Charles Sale about our guidance seminar.

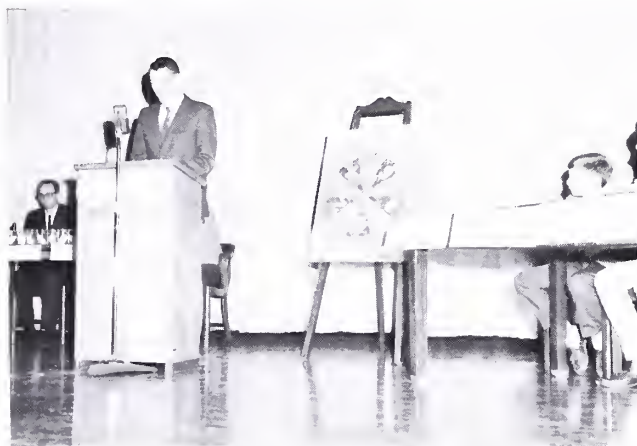

In connection with this seminar, Mrs. Ayers of the Smyth County School of Practical Nursing came to speak to interested students.

Private and Public

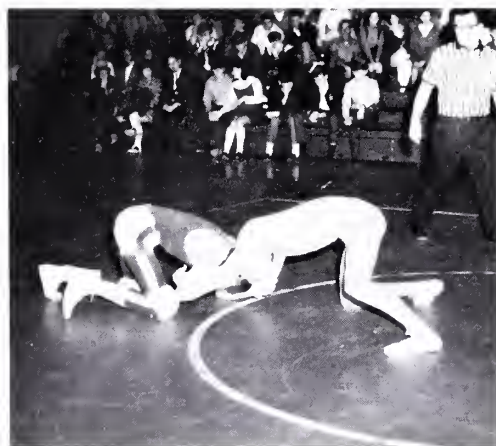

Mr. Ned Davis, Coach of Marion High School in 1928-1929, spoke to the student body at Homecoming.

To further the endeavors of the guidance department, a system of assemblies has been established at MSHS. Consisting of programs that blend instruction with entertainment, these programs present a truer picture of life not only to the student body, but to the community as a whole. Each class has its own assembly presentation, as well as special group presentation. Sing-Out, Kingsport, an enthusiastic group of teens illustrating in song the "Up With People!" theory, presented an informative as well as up-lifting program. On a religious note, the "Instrument of Faith," a folk singing group of MSHS students, showed our school what part God has in their lives.

All classes had representatives in our own Klassroom Kwiz.

Assembly programs cover a wide variety of interests, including this paid wrestling assembly.

The Instrument of Faith provided an inspiring program to the student body.

The Calm Before

TRULA G. FLEENOR
Radford-B.S.

The library provides an atmosphere for study.

Mr. Ledbetter supervises his
study hall.

With Miss Trula Fleenor at the helm, the MSHS library provides a sheltered place for students before pushing farther into the hectic life of a student. Providing a quiet, serene atmosphere for research, study, or just a respite from school activities, our modern, well-equipped library is indeed the calm before the storm.

Roger Dolinger uses his study hall as a place to collect his thoughts.

The Storm

Miss Fleenor checks out a book for Sharon Travis.

Magazines, a vital part of any library, are indexed by Library Club members.

Library Club Officers: Wilma Richardson—Vice President, Judy Umbarger—President, Shelia Shuler—Reporter, Miss Fleenor—Sponsor, Jack Newman—Sergeant-at-Arms. Not pictured, Dixie Olinger—Secretary.

The key to research is the card catalogue.

Assisting Miss Fleenor in the mountainous task of running an efficient library is the MSHS Library Club. The members work as assistant librarians and general helpers during their study halls, giving Miss Fleenor much needed time to organize the new material that enters the library every day.

*Judy,
Congratulations on

Mrs. Wilson's Senior English class uses special projects to emphasize points of importance.

The study of the English language at MSHS is broken down in the different grades so that skills learned in the past can be built upon in the future. Both grammar and literature studies are undertaken with supplemental aids of book reports, term papers, and visual aids extending the courses. The study of drama in each class is highlighted by trips to the Barter Theater in Abingdon, and in-class presentation of scenes from various plays.

Freshmen English classes study Charles Dickens' GREAT EXPECTATIONS.

Of The English Language

The use of punctuation is an integral part of Sophomore grammar.

Principles of diagraming are broken down in Mrs. Burton's classes.

Shakespeare—the genius of English literature.

Small group discussion is emphasized in Mrs. Weems' Junior class.

Forecasting Unity

Friendship — the basis of world understanding.

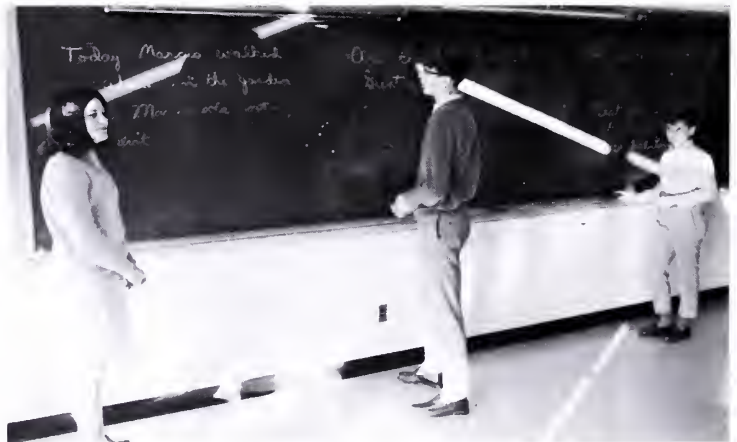

Spanish skills are brought into perspective by reading a novel in Spanish III.

With the addition of French I to the Foreign Language department at MSHS, students are now offered courses of study in Latin, Spanish, and French. First year courses include the basic fundamentals of the language, with the second and third years extending into the history and culture behind the language. Clubs which meet during the class periods further the study of other lands at MSHS.

The symbol of French culture is the Eiffel Tower.

Latin grammar is the backbone of modern languages.

The study of history at MSHS breaks apart the world of today and compares it to the world of yesterday. Using the new maps and visual equipment in the department, classes in U.S. History, World History, World Geography, U.S. Government, and economics present to students a practical look at history.

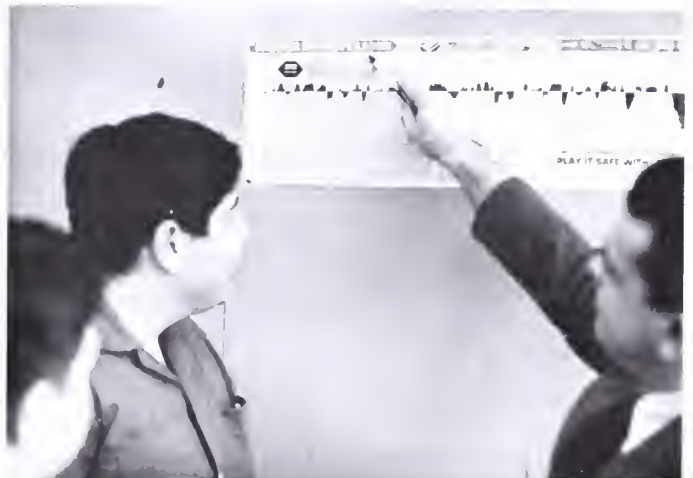

Emphasis this year was placed on the national elections. In each class, the candidates for president were discussed, and the impact of a new administration was brought closer to home for the students.

Scrapbooks helped to correlate campaign activity. Nixon's the one!

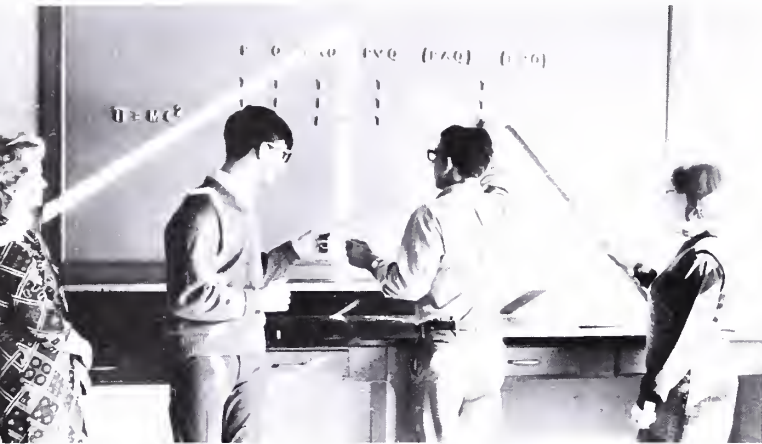

Current events study was undertaken by the use of Senior Scholastics, including information on the candidates.

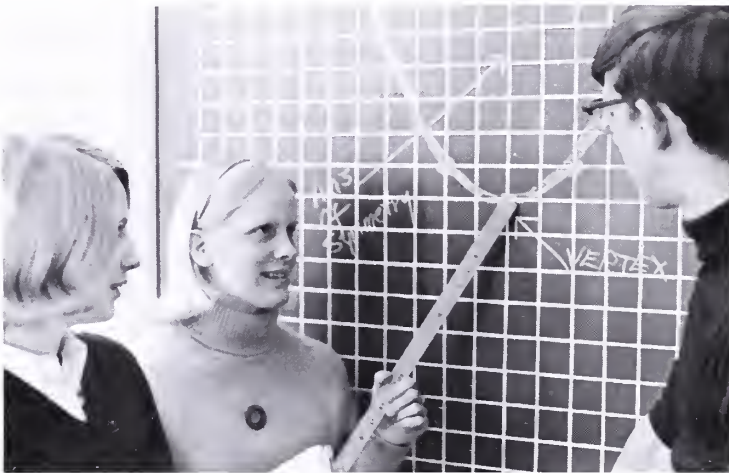

Election effects on consumer spending were studied in economics.

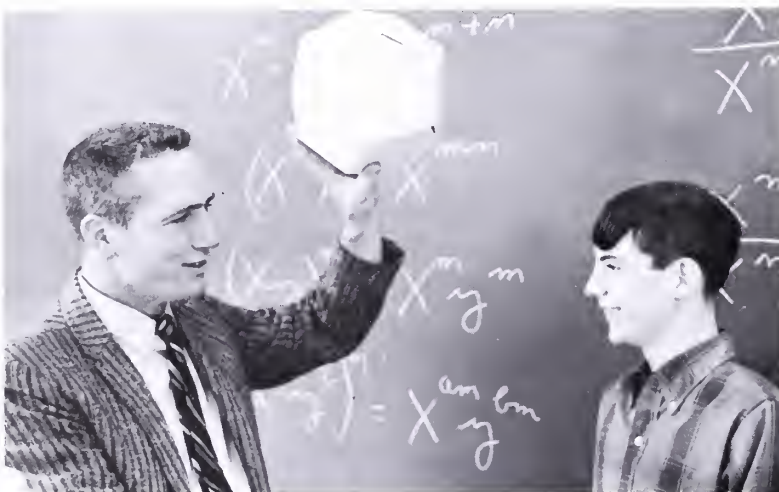

Mathematics--

Trig. students see the light, and Truth Tables certainly help!

Graphing parabolas is part of the Algebra II course.

Coach Earp uses three-dimensional figures to illustrate a point.

Mathematics courses in Algebra I, Geometry, Algebra II, and Modern Introductory Analysis help prepare college-bound students for their future careers. Basic fundamentals are built upon as the courses advance through the grades and the student becomes more proficient in the math sciences.

Symbols and Numbers

A practical side of mathematics is necessary for the business student, and courses in Business Math, Refresher Math, and Book-keeping round out the business student's high school learning. Basic principles are reviewed, and the business side, such as in keeping account books, is presented to those planning a business career.

Mental and Physical

Physical Education is required through the tenth grade for both boys and girls, and was added as an elective this year for Juniors and Seniors. Investigation into the theater arts and development of poise and self-confidence are combined in the course of Speech and Dramatics. Beginning with basic speeches and working toward impromptu speeches and pantomimes, the second semester is devoted to the presentation of scenes, acts, and entire plays, as well as studying the growth of drama.

Music Appreciation teaches the basic principles to the beginner while enhancing the knowledge of the advanced student. The different periods of composition as well as the styles are dissected and examined.

Speech students prepare a skit for the variety show.

Comedy and tragedy—the backbone of drama.

Music Appreciation students prepare to analyze a musical composition.

Predictions

First year art courses develop the natural talent of students through the use of water colors, copper, wood, and linoleum. The second and third year courses take this revealed talent and channel it toward application of the principles learned in the first year courses for individual growth.

Forecast '69—A time to look ahead, but not a time to forget the memories. Memories such as August 28, when 175 Seniors walked through the doors of MSHS and took their places at the front of the auditorium. Memories such as a football season of 9 and 1, the best in many years. Memories such as that long awaited October—when our rings arrived, and every underclassman in school had to turn green with envy or suffer the consequences. And memories of a 27-0 Homecoming score and Lou Thompson being crowned queen at the dance because of the small flood on the field.

A basketball season ending with the exceptional record of our team in both regular season and tournaments. Then followed a wrestling record to complete three years with no losses. These are the foremost memories of Forecast '69.

A look to the immediate future at College Career Night, and a look to the immediate past when semester exams came up in January, went further to add to the memories.

Spring Fever struck when the weather warmed up, but it was soon squelched when the Seniors reached the busiest part of their high school careers. Crammed somewhere between the end of basketball and wrestling and the beginning of track and baseball were classes, term papers and research projects, the Science Fair, the Senior presentation of *Jenny Kissed Me* (which brought to mind memories of last year's *Night of January 16th*), and the problems and responsibilities of being a Senior in the school year 1968-1969.

With a look to the long-awaited Senior Trip finally in sight, the homerooms began projects to raise money so more could go. Enterprising ideas ranged from the selling of felt tip pens with the basketball schedule printed on them to collecting pop bottles. A goal of \$1200.00 was set for these projects toward the trip to Washington, D.C.

The single biggest project of the class was serving at banquets held in the MSHS cafeteria. Mrs. Clawson's staff of eager, if inexperienced, waiters added considerably to the mounting bank account of the Class of '69.

This Was The Most Strenuous Year Of All

The Special Committee discusses plans for the senior trip.

To keep some semblance of order in the finances of the Senior Class, a committee was formed of representatives from each home-room. Reports on the financial structure of the class were made regularly to the students and the administration. The finance committee went a long ways toward making our trip possible.

Honor belongs to each member of the class, but special recognition is given to some few who excel in academics as well as in fields in which awards are sponsored by various organizations. It is hoped these awards serve to all upcoming classes as a driving force toward the attainable goals of life.

A feeling of security and friendship prevailed in the Class of '69. All through their twelve years of school, these Seniors have been working and playing together, and the Senior trip was the culmination of their dreams. Perhaps the invasion of Washington, D.C. by the MSHS Seniors only lasted from May 11 to May 15, but the memories of that trip, of that last year, and of that part of each Senior's life will go a long way to accomplishing the hopes and aims of FORECAST '69.

CLUBS

SCA serves as the

SCA EXECUTIVE COUNCIL:

William Calvin Burnside, III—SCA President
1968-1969.

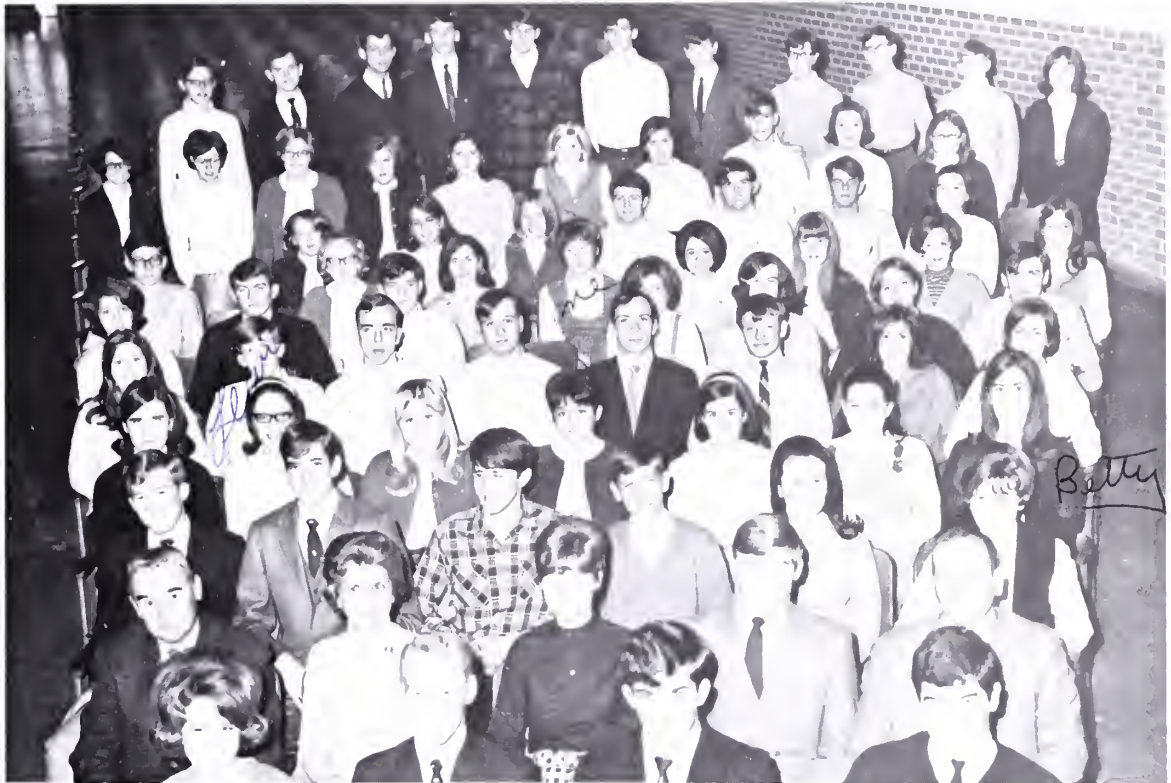

FIRST ROW: Billy Burnside—President, Roger Adams—Vice-President;
SECOND ROW: Joanne Shupe—Secretary, Lou Thompson—Reporter;
THIRD ROW: David Atkins—Parliamentarian, David Echols—Treasurer;
FOURTH ROW: Mrs. Waters—Sponsor.

Student leadership and participation through the guidance of the Student Co-operative Association forms the basis for the many worthwhile and rewarding school activities of MSHS.

As President of the SCA, Billy Burnside acts as correspondent between the faculty and the student body. Bright skies are prevalent over MSHS due to the encompassing endeavors of the SCA.

Eyes of the Hurricane

SCA Council—The eye of the Hurricane.

The 1968 Stage-O-Rama raised over \$500.00 through the generous contributions of the students and faculty. The funds are to be applied toward the acquisition of a foreign exchange student in the '70-'71 school year. Members of the foreign exchange committee spoke to various civic groups in the community asking their support for the program and for the formation of a local chapter of the American Field Service. Financial support, however, will be provided through the profits of the Stage-O-Rama.

The Foreign Exchange committee hard at work.

Christina Arbez, the foreign exchange student from Abingdon, talks to the student body.

The SCA Committees Shower

Scrapbook—A school year passes quickly and something is needed to capture the memories for later years. Linda Hull — Chairman of the Scrapbook Committee — and Jeri Deel work to put these memories into order so that students may get an overall picture of 1968-1969.

Patriotism — Patriotism is one of the most important words in today's society. It is the job of Linda Fuller — Chairman of the Patriotism Committee and Ronnie Earnest to promote patriotism in the school and encourage the students to demonstrate their pride in their school and their nation.

Handbook — Lewis Garnett —Chairman of the Handbook Committee, Susan Burnside, Joanne Shupe, and Carol Tate worked to get the Handbook ready for the Freshmen and all other new students. The Handbook includes many items which help the students become acquainted with the rules and regulations of MSHS.

Happiness Through Hard Work

Citizens — Students exhibiting the qualities of good citizens are rewarded each month by being named Citizen of the Month. One boy and one girl are chosen each month. Here Shirley Neitch—Chairman of this committee presents Sally Seward and Greg Harvey with their certificates.

Students are encouraged to excel in their studies by the Scholastic Letter Committee. Shortly after mid-term exams, those students making 93 or better in a subject may take a test in that subject. A certain per cent of these students will receive a letter for that subject.

The MSHS beauty pageant, an annual extravaganza, is the major money-making project of the SCA. There is much planning and preparation before the crowning of Miss MSHS, who serves as a representation of Marion High School at various social events in Southwestern Virginia.

Their service projects for the year were the sponsoring of an orphan child, preparing baskets for the needy at Christmas and Easter, and an Easter Seal Lily Street Drive. Giving blessings at lunch and daily devotions during Tri-Hi-Y Week emphasized the Christian ideals in daily school life.

Operation of the snack bar and the co-sponsoring of the Christmas Dance were the chief fund-raising projects for the year.

Girls who participated in the Easter Seal Street Drive for crippled children, one of the major projects of the club.

Their projects include various academic services such as scholarship programs and scholastic letter tests. Greg Harvey was nominated for President of the Virginia State Beta Club and the Marion club sent delegates to the State Convention in Richmond. Contributions from the Brunswick Corporation, Marion Jaycees, Bank of Marion, and John Tate-Realtor as well as money from candy sales financed the trip.

Selling of Beta Club candy provides both the gaining of a knowledge of finance and funds for the Beta Club members.

Tapping ceremonies of the Beta Club is a major and inspiring yearly event at MSHS.

Members of the Future Teachers of America gain the basic background of teaching by acting as teachers' aides and various tutoring programs. The FTA awards Teacher of the Month certificates to those teachers contributing most to the educational needs of the student body.

By close observation of and association with the teaching skills of the faculty of MSHS, FTA members gain some knowledge for the preparation of their chosen profession.

FHA girls anticipate new fashions for spring.

Girls interested in homemaking and who are enrolled in homemaking classes are members of the Future Homemakers of America. Their several projects are annual events and include a Mother-Daughter Christmas Party, the sponsoring of the Sadie Hawkins and Valentine Dances, a tea for new teachers and one for graduating seniors. The service project for the club this year was the preparation of Thanksgiving baskets. Selling MSHS pennants provided the FHA with the funds necessary to carry out their projects.

Hurricane Holler"

Is this any way to watch a Homecoming game?

Even with a downpour that should have destroyed spirit, Marion's spirit shone through with a theme of "The Spirit of Hurricane Holler." Thursday night was something to remember with a Variety Show to end all variety shows. Friday brought the rain and, although the skies were overcast, spirits were not. After a rather wet parade, came an even wetter game with Grundy, whom we stomped in the mud to win with a score of 27-0. Homecoming activities were rounded out with the Homecoming Dance on Saturday night.

Brenda Burkett passes the crown of Miss MSHS on to Mary Jane Luquer.

On September 21, the fifth annual Miss MSHS Beauty Pageant was held in the auditorium. Some of MSHS's loveliest girls participated with the theme of "Out of This World." The suspense and tension of the evening was ended with the crowning of Mary Jane Luquer as Miss MSHS, 1968.

Oh, the excitement of it all!

A happy moment.

Rays Of Sunshine

Only a lovely float could carry them.

During the 1968-1969 school year, MSHS students participated in a wide variety of activities. Mary Jane Luquer was our representative in the Chilhowie Apple Festival. Three MSHS students were entered in the Mountain Empire Junior Miss Pageant with Brenda Burkett winning the title. Our girls really added to the Lion's Club Minstrel on March 28.

1969 Junior-Senior Prom

Dennis Phillips, Junior Class President, and Patty Warren presented the Prom to Senior Class President, David Atkins and Christine Rhudy.

Daisies flashed spring on April 26, as the Juniors opened the petals of the 1969 Junior-Senior Prom to the graduating class. April showers may bring May flowers, but MSHS bloomed early as the theme, "Daisies

Won't Tell," welcomed the gay couples to an evening to be remembered.

A summer gazebo, a garden of daisies, and a lovely spring night all added to the atmosphere that the Juniors had planned. Spring colors of green and yellow enhanced the feeling of lightness and spring-time, until even the blooming daisies had to regretfully call it a night. The 1969 Junior-Senior Prom did indeed welcome spring with an open hand.

Prom committee members develop their ideas.

A summer gazebo is built in the center of the dance floor.

HURRICANE WARNINGS

SEATED—Coach Bill Earp, Coach Charlie Harkins—Athletic Director. STANDING, left to right —Coach Buddy Brockman, Coach Larry Sawyers, Coach Marlin Weaver, and Coach Alvin Crowder.

Warning--Hurricane:

Hurricane Warnings were posted on the first day of school and everyone knew that a powerful storm would be brewing for the next 9 months. It all started on September 6 with the beginning of a whirlwind football season. The mighty Hurricanes led on by coaches Earp, Sawyers, Weaver, and Crowder finished the season

with a 9-1-0 record making us tied with Tazewell for the title of Southwest District Champs. Success was celebrated by participating in a homecoming called "The Spirit of Hurricane Holler." A torrential downpour helped make the homecoming a unique one.

Girl's basketball season carried on the tremendous spirit of the Scarlet Hurricane. The girls struggled to post a successful season.

As football ended, basketball and wrestling jumped in to keep the spirit alive and to keep the storm brewing. Coach Charlie Harkins led the Hurricane on to a 14-4 regular season record giving us the title of District Champs. The Hurricane House was host to the County tournament on March 20, 21, and 22. The Marion Quint kept the warning flags flying high by defeating Chilhowie 54-37. Marion then went on to the District Tournament and lost to George Washington of Danville by a narrow 3 point margin: 72-69. Still the team had earned the title of "No. 1" in Southwest Virginia.

While the basketball team was busy winning games, the wrestling team led by Coach Moe Weaver captured its 41 consecutive wins making the Hurricane Southwest District Champions and Western Regional Champions for 3 consecutive years. Several wrestlers traveled to the state tournament; one, Darrell Perkins, won third place in the state competition.

Soon after basketball season ended, baseball, golf, and track practice began. It soon became evident that the Scarlet Hurricane was out for more titles to satisfy the storm.

Wrestling has always been a fine sport at MSHS. It is not always recognized as much as it should be, but it projects as much MSHS "spirit" as any of the sports. There is a wrestling team, but it is the individual wrestler that wins a match, and the score mounts as each wrestler attacks his opponent.

(1.2) Well Guadalupe, here we are, graduated (almost) I can hardly believe it. It's been such a great year, I sometimes wish it was just beginning instead of ending. Of I cry at graduation, don't laugh, O.K.? Well, what can I say except that it's been great. Annual was something else. I hope Mrs. Echols survived us. (although I really doubt it) I can't believe this is our annual; I feel like it's part of me (I guess because I worked on it.) And lunch... Oh, lunch! I'm surprised we didn't get a discipline slip, I really am. All those card games and salt fights. And speaking of salt, don't forget our little salt-shaker-thieves gang. It was all a frame-up, but it was still funny, even when I was the one being framed. Well, this is turning into a regular book. I just wanted to say, though, that I'm glad this year was the way it was & that I wouldn't change a minute of it. I'm glad we've been such great friends. You'll have to come visit me at U.T. next year, O.K.? I guess that's all I have to say, except that you're one of the greatest kids I have ever known & please stay that way.

Gudy,
it's really
been a great four years.
Classes, senior trip, picnic
and everything. She senior year
really is the best. Thank goodness
we have no more English to study
please try to stay out of trouble or
at least not to get caught!! See
you this summer.

"FOLLOW THAT RAINBOW"

The year is now at an end and our "weather map" is complete. The storms, winds, and rays of sunshine that worked their way through our lives are now etched into the thoughts and memories of 1969. Freshmen, Sophomores, Juniors, and Seniors, all have gained a new place in the fair weather ahead. Yes, the time has come for the students of Marion Senior High School to follow that rainbow, to reach high for happiness and success, and to complete with honor and pride FORECAST '69.
